

Info – Jewelry Box{HM-B30}

The jewelry box contains a silver locket on a chain; inside the locket is a lock of silky golden hair. Guinness using his Knowledge (nature) identifies the hair as having come from a nymph.

Broadly defined, "nymph" simply means "nubile young woman," but it usually means something a little more mythical as nymphs are fey creatures.

Nymphs are nature's embodiment of physical beauty, and the guardians of the sacred places of the wild. They are so unbearably lovely that even a glimpse of one can blind an onlooker. A nymph's demeanor is wild and mercurial. Like nature itself, she embodies both great beauty and fearsome danger.

She can be kind and graceful to mortals who revere the wild places of the world, but is also quick to strike against mortals who take more than they need or who treat nature thoughtlessly.
