

+1 Human Bane Ogre Hook, Large{HM- }

A huge crook of crude, sharpened metal. Ogre hooks take their name from the savages who most typically employ them. Usually created by giants and their ilk, ogre hooks are commonly size Large and awkward for most humanoids to use.

- This magic weapon has an enhancement bonus of +1. The weapon applies this bonus to both attack and damage rolls when used in combat.
- **Human Bane:** A human bane weapon excels at attacking humans. Against humans, its effective enhancement bonus is +2 better than its normal enhancement bonus and it deals an extra 2d6 points of damage.
